Dedication

We dedicate the 1977-1978 **Eagle's Eye** to

MARGARET BLANEK,
Sterling City I.S.D. School Nurse,

in appreciation of her twelve years of service in our school. No other person touches more lives in any given year's time than our school nurse. Our memories of her exceptional kindnesses are many. A hearty "thank you" goes to Mrs. Blanek. We shall miss her greatly.

Best wishes to you, Mrs. Blanek, in your new endeavors.

And . . . Farewell

Now we are looking forward to our future. For many that means college, for others jobs which they choose to do. Whatever we choose, we know that we will be better equipped because of influences and acquaintances during the past years here at old S.H.S.

We're leaving, but our places will be filled by others just as eager and determined as we. As years go by, time may weaken our memories of each other, but we'll remember for many years to come our days at Sterling City High School.

May God Bless each of you.
